NEW ADDITION TO SALES TEAM AT WEST STAR AVIATION

Dallas, TX, February 28, 2011 – West Star Aviation recently welcomed the newest addition to their sales team, Dale Appleby, as Technical Sales Manager. Dale will be based in Dallas, TX.

In his new position, as Technical Sales Manager, Dale will be responsible for inside sales at the Dallas facility. In addition, he will handle various outside sales duties in the Dallas/Fort Worth metropolitan area. Dale brings 18 years of experience in sales, operations, and business ownership to West Star Aviation.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines; as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts. In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport located in Aspen, CO. The company also provides complete FBO services for Transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For additional information visit <http://www.weststaraviation.com> or call 800-922-2421.
