WEST STAR AVIATION WELCOMES NEW ACCESSORIES SHOP TEAM LEAD

Grand Junction, CO, September 12, 2011 – West Star Aviation recently announced Darin Perryman will join their team at Grand Junction (GJT) as Accessories Shop Team Lead.

Darin brings over 14 years experience with him to West Star, specifically with landing gear on all Hawker, Challenger and Gulfstream models. Most recently, Darin held the position of Overhaul Shop Lead for Gulfstream Aerospace. In this position he further developed his expertise in landing gear ship sets and components, all while directing a dedicated team. Darin currently holds an FAA class II and III repairmen certificate as well as CDI inspection duties.

In his new position at West Star Aviation, Darin will be responsible for overseeing the Grand Junction (GJT) accessories team, as well as providing technical support, inspections, and ensuring FAA compliance.

Darin Perryman can be contacted directly at (970) 248-5230 (office), (970) 261-4929 (cell) or at dperryman@wsa.aero.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
