West Star Aviation's East Alton Location Appointed
Authorized Service Center for Embraer Phenom

East Alton, IL, August 30, 2011 –West Star Aviation's East Alton (ALN) location has been appointed an Authorized Service Center for Embraer Phenom 100 and 300 aircraft models. West Star Aviation's St. Louis location (SUS) is also included under the appointment of ALN as a service center.

West Star Aviation's Dallas and Grand Junction facilities were a part of the initial Authorized Service Centers appointed by Embraer in 2006. All facilities provide a variety of services to the 100 and 300 aircraft models including: Unscheduled maintenance, AOG support, removal and installation of components, engine and APU, as well as all scheduled maintenance, modifications and repairs.

The launch of the Embraer Program in East Alton (ALN) and St. Louis (SUS) will be headed by Kevin Syfert, Pat Welch and Wade Evans. For more information contact West Star Aviation at www.weststaraviation.com, or contact the team directly: Kevin Syfert at 618-258-4726, Pat Welch at 618-258-4751, or Wade Evans at 618-259-3230.

West Star Aviation Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit <http://www.weststaraviation.com> or call 800-922-2421.
