WEST STAR AVIATION WELCOMES NEW FALCON TECHNICAL SALES MANAGER

East Alton, IL, February 8, 2012 – West Star Aviation, Inc. recently announced Ryan Gibbs has been promoted to Falcon Technical Sales Manager at their East Alton (ALN) location.

Ryan joined West Star Aviation in 2004 and quickly worked his way to a promotion as Falcon Lead. Ryan has extensive technical knowledge on Falcon 10, 20, 50B (EX), 900B (EX), and 2000(EX) aircraft.

In his new position, Ryan Gibbs will be responsible for providing all Falcon Technical Sales at the ALN facility. In addition, he will also focus on maintaining relationships with current customers and developing relationships with potential customers for West Star Aviation. Ryan Gibbs can be contacted directly at (618) 258-8825 (office), (618) 610-8513 (cell) or at rgibbs@wsa.aero

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions. For more information visit <http://www.weststaraviation.com> or call 800-922-2421.
