WEST STAR AVIATION WELCOMES NEW GENERAL MANAGER

East Alton, IL, April 3, 2012 – West Star Aviation recently announced Rodger Renaud will join their team as General Manager at their East Alton, IL facility located at the St. Louis Regional Airport (ALN). Rodger will begin his new position on April 1, 2012.

“Rodger brings a diverse and extensive background in Aviation Management,” says Robert Rasberry, CEO, West Star Aviation. “We look forward to our future growth in ALN with Rodger’s leadership.”

In his new position as General Manager, Rodger will be responsible for overseeing all operations at the ALN location. Rodger Renaud can be contacted directly at (618) 258-8020(office) or (618) 225-7025(cell).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions.
