WEST STAR WELCOMES NEW DIRECTOR OF SALES

East Alton, IL, October 30, 2012- West Star Aviation has announced that Scott McDonald will join the company as Director of Sales. Scott brings over 20 years of experience in the aviation industry to West Star.

Scott has held multiple positions throughout his career including Mechanic, Planning & Scheduling, and Regional Sales Manager. Most recently, Scott held the position of Director of Sales for Gulfstream Product Support.

“We are confident that the recent additions we’ve made to our sales team directly align with West Star’s present and future goals,” said Greg Byrnes, Vice President, West Star Aviation. “We know that Scott will be a great addition to our team.”

In his new position as Director of Sales, Scott will be responsible for overseeing the sales team and contributing to the overall sales at all West Star locations. Scott can be contacted directly at 678.628.6035 or smcdonald@wsa.aero.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions.
