## **WEST STAR AVIATION WELCOMES NEW NORTHEAST REGIONAL SALES MANAGER**

**East Alton, IL, January 22, 2013** - West Star Aviation announced they have hired Len Liotta as Northeast Regional Sales Manager. Len brings 25 years of maintenance, business development, aircraft transactions and financial management expertise to West Star Aviation.

With a specific interest in maintenance management, Len has held multiple high level positions in the corporate aviation industry. In his early career, Len was named VP of Aircraft Maintenance and Facilities at a large corporate flight department, in which he oversaw a team of technicians, quality assurance managers and inventory control specialists. Next, Len served as Director of Maintenance Services for a top tier aircraft management company. In addition to this experience, Len holds a Bachelor of Science degree in Accounting with a minor in Finance, from St. John's University, New York.

"We will continue to make adjustments and additions to the West Star sales team in order to achieve our ultimate goal of providing West Star clients with the best service possible," says Greg Byrnes, Senior Vice President Sales, West Star Aviation. "We are excited to welcome Len to the West Star team and we are confident he will provide a valuable resource for our current and potential clients in the Northeast Region."

In his new position, as Northeast Regional Sales Manager, Len will be responsible for providing technical and sales support for West Star customers within this new territory. Len can be contacted directly at 917-318-8661 or [llyotta@wsa.aero](mailto:llyotta@wsa.aero).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; Columbia, SC; and Dallas, TX, West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
