### **WEST STAR AVIATION Named Top Dealer For 2013**

**East Alton, IL, May 1, 2014-** West Star Aviation receives the *Aircell 51,000 Five* award, which recognizes the highest-performing companies within the global dealer and distributor network of Aircell, the business aviation group of Gogo Inc.

Voted on by the Aircell executive team, West Star was selected based on their continued commitment to their customers' in-flight connectivity needs, their technical expertise, and sales performance.

"We are honored to be named a Top Dealer for 2013," said Dave Feuerhak, Avionics Manager, West Star Aviation. "Our strong partnership with Aircell has always been very beneficial to our customers, and we look forward to building on that partnership in the future."

All four companies who received the honor were presented with their award at a ceremony held during the 2014 Aircraft Electronics Association's Annual International Convention & Trade Show in Nashville, TN, March 12-15, 2014.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
