## **WEST STAR AVIATION Welcomes Terry Lutrick As Regional Sales Manager**

**East Alton, IL, June 25, 2014** – West Star Aviation recently announced Terry Lutrick has joined their team as Regional Sales Manager. Terry will be responsible for assisting West Star customers in California, Nevada, and Arizona.

With nearly 44 years of experience in the aviation industry, Terry received his A&P Mechanic License in 1970, and has since gained extensive experience through the numerous positions he has held throughout his career. In 2013, Terry received NBAA’s “Maintenance Safety Award” for completing 43 years of safe maintenance practices.

“Terry is a great addition to our sales team,” says Jim Swehla, Cofounder/Executive Vice President, West Star Aviation. “We have made it a priority to better serve our customers by increasing the resources available to them and the addition of Terry as Regional Sales Manager is just one of those resources. We are confident he will have great success in this role.”

In his new position, Terry will be responsible for sales activities within his territory as well as maintaining relationships and providing support to current and potential customers. Terry can be contacted directly at 970-261-4458 or [tlutrick@wsa.aero](mailto:tlutrick@wsa.aero).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization’s divisions.
