**WEST STAR AVIATION Now Offering Self Serve Avgas Fueling Station
In Grand Junction, CO**

Grand Junction, CO, October 21, 2014—West Star Aviation recently announced they have opened a self service AvFuel refueling station at their Grand Junction, CO (GJT) location. West Star celebrated the grand opening of the self serve station in early October 2014.

Customers who visit the self serve station can take advantage of competitive AvFuel pricing and all of the FBO amenities that West Star offers at GJT, such as flight planning and weather briefing.

“We are excited to begin offering this new service to our customers in the Western Colorado area,” said Dave Krogman, General Manager, West Star Aviation, GJT. “We put a lot of effort into finding new and creative ways to meet our customer’s needs and make doing business with us as quick and easy as possible, and the new self service station is one way we are working to achieve that goal.”

As part of the grand opening celebration, the first customers to use the new avgas self serve station received a complimentary West Star Aviation shirt. To learn more about this new service, contact Dave Krogman at 970-243-7500.

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO.
