## **WEST STAR AVIATION Welcomes New Avionics Technical Sales Manager**

*Chris Woolverton To Join West Star Sales Team*

**East Alton, IL, March 23, 2015** - West Star Aviation recently announced they have welcomed Chris Woolverton to their sales team as Avionics Technical Sales Manager. Chris will be based at West Star's East Alton, IL (ALN) facility.

Chris has built an extensive career in the corporate aviation industry over the last 16 years, holding varying roles in avionics installations and sales for major aviation companies. Most recently, Chris has concentrated on providing support to Global 5000, 6000 and Challenger 605 customers. A certified A&P Technician, Chris also spent six years in the United States Air Force.

"Chris' experience with specific aircraft over the last few years is going to make him a valuable asset to our customers," says Marty Rhine, Avionics Sales Manager, West Star Aviation. "He is very knowledgeable about the industry and we are proud to have him as part of the team."

In his new position, Chris will focus on providing support to West Star customers on both minor and large avionics projects such as glass retrofits, cabin management upgrades, and SATCOM installations.

Chris Woolverton can be contacted directly at 618-258-8065 or [cwoolverton@wsa.aero](mailto:cwoolverton@wsa.aero).

West Star Aviation, Inc. specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Columbia, SC. West Star Aviation runs the maintenance operations at Aspen-Pitkin County Airport in Aspen, CO and at Spirit of St. Louis Airport in Chesterfield, MO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation, Inc. is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
