**FOR IMMEDIATE RELEASE**

**West Star Aviation Named Authorized Dealer for SmartSky 4G Equipment**  
**Sales and Installation**

**East Alton, IL, July 5, 2016-** West Star Aviation is pleased to announce they have been named an Authorized Dealer for SmartSky 4G sales and installation.

West Star will be participating in the sales and installation of the SmartSky's in-flight Wi-Fi technology. They will sell and install SmartSky equipment on approved aircraft using the STC license from SmartSky's distribution partners.

"West Star is pleased to partner with SmartSky in order to continue to provide the latest technologies and services to our customers. In-flight WiFi has become a "must have" in today's competitive environment and West Star continues to expand capabilities and relationships in order to provide solutions tailored to our customer's specific needs." said Robert Rasberry, CEO, West Star Aviation.

Voted #1 Preferred MRO in the 2014, 2015 and 2016 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for three consecutive years, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL and Centennial Airport in Denver, CO. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
