FOR IMMEDIATE RELEASE

West Star Aviation Announces Expansion to Conroe-North Houston Regional Airport (KCXO)

East Alton, IL, February 23, 2017- West Star Aviation is pleased to announce they have expanded their satellite capabilities to Conroe-North Houston Regional Airport (KCXO).

This satellite will service Gulfstream, Falcon, Bombardier, Hawker, and Citation aircraft in Texas and the surrounding southern region. KCXO will be able to perform minor inspections and repairs including A checks, 12 and 24 month inspections and is now operational.

"Our goal with the Conroe, (KCXO) hangar is to offer inspections, but also grow to include maintenance and avionics capabilities as well. This expansion offers additional support to our southern region customers," said Rodger Renaud, President, West Star Aviation.

The new satellite hangar is located at 1005 General Thomas Kelly Blvd., Conroe, TX 77303. For more information please connect with Dana Varney, Site Manager, at 936-333-3113.

Voted #1 Preferred MRO in the 2014, 2015 and 2016 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for three consecutive years, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
