West Star Aviation Announces Dana Varney as Satellite Manager at KCXO

East Alton, IL, March 14, 2017- West Star Aviation is pleased to announce Dana Varney as Satellite Manager at their KCXO location.

Dana began his career in aviation 22 years ago at Mayo Aviation as Maintenance Manager/Accountable Manager of an FAA Part 145 repair station. His responsibilities included overseeing all aspects and operations of the repair station to ensure quality and safety. He graduated from Aero Tech in 1995 and has obtained several factory ratings from Simuflight, Global and Honeywell.

As Satellite Manager for West Star's Houston, TX satellite location, KCXO, Dana will oversee AOG demands and provide local MX support for surrounding operators.

"We are pleased to have Dana join our team to guide our growth in the Southern and surrounding regions. He will build and direct our satellite team in Houston to offer enhanced capabilities to our clients," said Rodger Renaud, President, West Star Aviation.

Voted #1 Preferred MRO in the 2014, 2015 and 2016 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey for three consecutive years, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.
