FOR IMMEDIATE RELEASE

West Star Aviation Seeking Aviation Professionals at Grand Junction Career Fair

September 27, 2017 - West Star Aviation is holding a career fair in Grand Junction, CO to add full time aviation professionals to their team.

The job fair comes with expansion efforts at their main facilities and to keep up with their growing and expanding services and capabilities. The career fair will be held at the Mesa County Workforce Center, in Grand Junction, CO on Thursday, October 5, 2017. West Star hiring professionals will be meeting with candidates and interviewing on site from 9am- 2pm. West Star is encouraging any applicants to bring an updated resume.

"We are always looking for the best and the brightest to join the West Star family. A career fair is an excellent way for us to meet and get to know potential applicants prior to an interview process and fill the select positions we have available at our locations," said West Star Aviation's Director of Human Resources, Katie Johnson.

For more information on positions available visit West Star's [Career page](#) on their website.

Voted #1 Preferred MRO in the 2014, 2015, 2016, and 2017 *Professional Pilot* magazine annual "Preferences Regarding Aviation Services and Equipment" (PRASE) Survey, West Star Aviation specializes in the repair and maintenance of airframes, windows, and engines, as well as major modifications, avionics installation and repair, interior refurbishment, surplus avionics sales, accessory services, paint and parts.

In addition to its facilities in East Alton, IL; Grand Junction, CO; and Chattanooga, TN, West Star Aviation runs maintenance operations at Aspen-Pitkin County Airport in Aspen, CO; Chicago Executive Airport in Chicago, IL; Centennial Airport in Denver, CO and Conroe-North Houston Regional Airport in Houston, TX. The company also provides complete FBO services for transient aircraft at its newly remodeled East Alton and Grand Junction facilities. West Star Aviation is an industry leader in technical experience and expertise while providing world-class customer services in all the organization's divisions.
